Dr. D. Jeffrey Demanes serves as Faculty and Director of the HDR Brachytherapy program. This new position will allow Dr. Demanes to continue to serve patients from all over the country, conduct important research, and train UCLA medical residents.

It is important that you continue to receive your regular follow up visits. We request that you do one of the following:

1. **DO NOTHING** – If you would like to have your follow up visits with Dr. Demanes at UCLA, you can keep your current follow up appointment and will receive a reminder phone call one week before your visit.
2. **CONTACT DR. DEMANES** to let his office know – If you elect to have your follow up visits at the Oakland facility with Dr. Hill or with your attending specialist (Urologist, Gynecologist, Surgeon) or Primary Care Physician (PCP). With your consent, Dr. Demanes will continue to monitor your care through medical records from your attending Specialist and/or PCP. Dr. Hill's office number is 510-869-8875.

Sincerely,

Lalaine M. Borja, PA-C
Physician Assistant
